

HVAC & RADIANT HEATING

RESIDENTIAL & COMMERCIAL APPLICATIONS

Flexible and durable duct insulation that does not absorb moisture and maintains performance values.

**Cold Air Returns
Crawl Spaces**

**Radiant Floors
Duct Insulation**

KEY ADVANTAGES

- ▶ Creates higher R-values
- ▶ Provides a vapor barrier
- ▶ Does not absorb moisture
- ▶ Will not mildew or deteriorate
- ▶ Superior thermal performance
- ▶ 100% non-toxic with no adhesives used
- ▶ Installs easily with razor knife and foil tape
- ▶ Performance not affected by condensation
- ▶ Clean, fiber-free, and hypo-allergenic duct wrap
